

Caribbean Anchorages

Below are lists of some of the anchorages I have used in the Caribbean. There are several duplications, reflecting the number of times I have anchored in particular harbours or ports areas. The anchorages were OK when I used them, but cannot be guaranteed as being suitable or satisfactory for all wind or sea conditions. Please use them with caution as I obviously cannot be responsible for the decisions you yourself make when choosing a safe anchorage for your boat. See also my Itineraries.

Windward / Leeward Anchorages		
	Degrees North	Degrees West
Le Grand Case, St Martin	18° 06'.33 N	63° 03'.34 W
Baie Oriental, St Martin	18° 05'.14 N	63° 00'.36 W
